DESCRIPCION DEL PUESTO :

For Cassidian in Unterschleißheim we are looking for a VIE - Finance Improvement Projects Assistant (f/m). Based at the Cassidian Finance Headquarters (Munich / Unterschleißheim), the position is an integrated part of the Organisation of 'Finance Quality and Excellence' with direct report to the Head of 'Finance Process Improvement'.

The main objectives of the function Finance Quality & Excellence are:

- Lead and drive Finance processes to deliver “world class” Finance services to all Cassidian stakeholders
- Drive continuous improvements of processes performance in terms of effectiveness and efficiency
- Identify, assess and transfer best practices for Finance
- Enhance LEAN and project management skills within Finance

In this context your responsibilities will include:

- Establishment of an integrated and harmonized Process Model for Finance
- Improve the current financial process structure according to best practices available
- Define new Finance processes and implement these in accordance with the agreed schedule and priorities
- Benchmark financial processes and standards to secure state of the art Financial processes
- Prepare and consolidate project management documentation to relevant stakeholders (e.g. CFO)
- Document financial processes and standards and assists in the process publishing procedures

The position:

- Requires inter-/intra-functional coordination throughout the Cassidian (Finance) Organisation
- Supports the management of Finance Transformation and Improvement (FIT) EADS-Group wide
- Involves close cooperation with multiple project management teams within an international environment

PERFIL :

We are looking for candidates with the following skills:

- Degree in Business Administration, Economics, Finance or equivalent
- First practical experience in project management / project improvements
- Advanced skills in MS Office (Excel / Word / Powerpoint)
- First international experience through either studies or internships abroad
- Team player
- Good problem solving skills
- Strong communication skills
- English: fluent / negotiation level and at least one other European language
