XXXXXX

NOTES: Given the training nature of the internship, it will not result in any obligations of an employment relationship. The student acknowledges the remaining provisions of the Agreement.

During the period of the internship implementation, the student agrees not to apply for cancellation of his/her tuition and to complete, where appropriate, any request that is made by the administrative units related thereto. In case of tuition cancellation, practices will be terminated automatically.

The student agrees expressly for the duration of the internship and once completed, not to give or communicate to third parties any information from the company to which he/she had access. The contents and computer media used with the consent of the Company will be strictly intended for professional use according to the tasks entrusted during the internship.

In case of resignation, the signatory parties agree to notify the other party and the Tutor by the University, at least seven days prior to the interruption of the practices. However, if the notice period is not fulfilled by the student, the entity can not be required to pay the corresponding amount for the period pending, nor can other internship be managed until the previous period has been completed, including the necessary time for the advance notice
