

EXTRACURRICULAR INTERNSHIPS

FRAMEWORK AGREEMENT ON EDUCATIONAL COOPERATION FOR STUDENTS OF DIPLOMAS, TECHNICAL ENGINEERING, LICENTIATES, ENGINEERING, BACHELOR'S, OFFICIAL MASTER'S DEGREES AND UNIVERSITY'S OWN DEGREES, BETWEEN THE PUBLIC INSTITUTION, NGO OR NON-PROFIT ORGANISATION _____ AND THE UNED [SPANISH NATIONAL UNIVERSITY OF DISTANCE EDUCATION]

One party, **MS CONSUELO VÉLAZ DE MEDRANO URETA**, THE VICE-RECTOR OF STUDENTS of the UNED, (on behalf of the RECTOR. Resolution of 2 February 2016 - BOE [Official Gazette of the Spanish State] of 4 February 2016)¹.

The other party, **MR** - _____, the legal representative of _____ with CIF (Public institution/ NGO / nonprofit organization/organization Identification Code)# _____ and address in _____, sign this Educational Cooperation Agreement.

Both parties submit to the regulations established in Royal Decree 592/2014, of 11th July on legislating the external academic scholarship for university students, and in the Royal Decree 1393/2007, of 29th October, which establish arrangement of university studies and the Statutes of the University Student approved by Royal Decree 1791/2010, of 30th December.

This Agreement shall affect the students who shall be listed in the respective attached Annexe, pursuant to the following

CLAUSES

ONE: Agreement Purpose

The purpose is to conclude an Educational Cooperation Agreement so that students enrolled on courses which result in obtaining an official qualification, namely Diploma, Technical Engineering, Licentiate, Engineering, Bachelor's Degree, Official Master's Degrees, and University's own Degrees, can participate in voluntary internship placements in public institutions/ NGOS / nonprofit organizations with the aim of pursuing them alongside the theoretical training of their studies.

TWO: Commitment

Given the educational nature of the external internship placements, under no circumstances shall be obligations for an employment relationship be derived from them, neither may their content replace the provision of labor inherent in the post.

THREE: Requirements of students on internship

Students on extracurricular external internship in public institutions/ NGOS / nonprofit organizations must have passed fifty percent of the course load in their study plan, except for Master's students who shall be required to be enrolled at least on 50% of the

¹ Model of *Framework Agreement on Educational Cooperation* approved by the Governing Council on 24th September 2014.

CENTRO DE ORIENTACIÓN Y EMPLEO (COIE)

Vicerrectorado de Estudiantes

course and University's own Degrees students, who shall be required to be enrolled on the complete course.

FOUR: Duration and academic commitments

The internship period shall last no more than 50% of the academic year, preferably 750 hours for the students of Diplomas, Technical Engineering, Licentiates, Engineering, and Bachelor's².

For Official Master's and Own University Degrees, the duration of the internship period for every academic year will be calculated by multiplying by 25 the ECTS of the course the student is enrolled, with a maximum duration of 60 ECTS per academic year.

In all cases, the agreement could be extended yearly until the completion of the corresponding studies.

In all cases, the placement shall not last longer than the final date of the course the student is enrolled on, (until 30th September)

In all cases, the Educational Cooperation Programs shall have to be devised in a manner that ensures correct implementation and monitoring of the student's academic activities.

Furthermore, _____ shall facilitate appropriate compliance with the academic commitments of the students on internship. In particular, students have the right to sit examinations that are part of the official courses they have enrolled on, and the public institution/ NGO / nonprofit organization is obliged to grant them the necessary permission to attend them.

FIVE: Register

With the aim of having a register of the students participating in this Agreement at all times, _____ shall notify COIE [Centre for Careers Guidance and Information] of any registration or deregistration that occurs in the public institution/ NGO / nonprofit organization.

SIX: Conditions

Together with the student's registration, _____ shall notify the start and end date of the internship, the holiday period, if there is one, as well as the timetable, the location where they are to take place, and their content, and it shall appoint a person who shall act as the student's tutor. These data shall be stated in the corresponding Annexes.

SEVEN: Period of validity

This Agreement shall be valid for one year, and shall come into effect from the date it is signed. It shall be deemed extended for periods equal to one year, unless one of the undersigned parties, who reserve the right to cancel it unilaterally at any time, provides notice of termination in writing to the other party ten days in advance.

Students who on the date of cancellation are on an internship placement shall continue until the end established in the corresponding Annexes.

² In all the aforementioned cases, the maximum duration of the internship placement shall be 900 hours per academic year.

CENTRO DE ORIENTACIÓN Y EMPLEO (COIE)

Vicerrectorado de Estudiantes

In the event of an extension, the amounts stated in clauses ten and eleven shall be understood as adjusted in line with the variation in the IPC [Spain's RPI] for the time period in question.

EIGHT: End of the internship placement

A work contract may not be entered into between the public institution/ NGO / nonprofit organization and the student unless this Educational Cooperation Agreement is expressly revoked or concluded with regard to the affected student.

NINE: Insurance

The terms and conditions for including in the General Social Security Plan to persons participating in training programs, as assimilated to employed persons, including conducting training practices in companies, institutions or entities, involving a monetary compensation for those affected, whatever the concept or the way it is perceived, provided they do not lead to the establishment of an employment relationship, the obligation to enlist in this Plan to the trainees corresponds to _____ and shall conform to what makes the rules in

this respect of the country in which they carry out practices.

If there is no obligation for including the student in the Social Security General Scheme (if there is no payment) and given the case of not being the student covered by the Student Coverage, the UNED shall pay for the relevant insurance.

TEN: Certificate

At the end of the internship period, the public institution/ NGO / nonprofit organization and the UNED shall give the student a certificate in keeping with the provisions in current legislation.

ELEVEN: Validation/recognition criteria

Student internship shall not involve the validation or recognition of credits and/or a practicum, unless this is stated in the associated study plan and is in line with its criteria.

TWELVE: Students who previously enjoyed curricular internship (practicum) in the same public institution/ NGO / nonprofit organization.

After the curricular internship placement (corresponding to the study plan) has ended, students may ask for them to be continued via COIE, which shall process their extracurricular internship agreement to make the internship period.

THIRTEEN: Data Protection

In keeping with the provision in Organic Law 15/1999 of 13 December, on Personal Data Protection, (hereinafter referred to as Data) contact personal data provided by both parts will be incorporated to a file owned by the (UNED) and the public institution/ NGO / nonprofit organization _____.

Information is collected and treated with the only purpose of managing the given agreement and maintaining contact between both parts.

Furthermore, the parts will not hand over or communicate personal data stored in their files to third parties, with exception of being legally foreseeing or when necessary for providing the service.

Each part will be responsible for complying with current regulations on Personal Data Protection. For this purpose, the parts declare to know the provisions related to

CENTRO DE ORIENTACIÓN Y EMPLEO (COIE)

Vicerrectorado de Estudiantes

personal data protection in the above mentioned LOPD, and in the Royal Decree 1720/2007, of 21st December, which approves the Regulations for the development of the Organic Law 15/1999, December 13th, of personal data protection (RDLOPD), and compromise to comply with requirements foreseen in the norms about data protection they possess.

Specially, parts will not use the data for purposes different than those subscribed in this agreement, nor will communicate, not even for its conservation, to other physical or juridical persons, except those foreseen in current legislation.

Both parts promise to adopt all necessary security measures in regard to the nature of the personal data information, in keeping with the provision with articles 89 to 114 of the RDLOPD, adopting those technical and organizational measures necessary to guarantee personal data security and avoid their alteration, loss, and non-authorized treatment or access, considering the state of technology, the nature of the storage data and the risks to which they are exposed, coming those from human, environmental or natural action..

FOURTEEN: Students with a disability

Pursuant to the provisions in Royal Decree 1/2013 of 29th November, on the combined legal text of people with disabilities rights and his social integration approval, which establishes measures to guarantee and make effective the right to equal opportunities, _____ undertakes to adopt the necessary positive measures to establish selection processes that do not discriminate against people with disabilities.

In the event that the student selected does have a disability, the public institution/ NGO / nonprofit organization undertakes to facilitate their taking up of the position, by making any required adaptations with the necessary support and technical resources.

To comply with this clause, the public institution/ NGO / nonprofit organization may request the advice of the UNIDIS [Assistance Centre for University Students with a Disability].

FIFTEEN: Applicable Jurisdiction

This cooperation agreement holds an administrative nature _____ and the University undertakes to solve any disagreement that may arise from the implementation of this Agreement amicably.

This Convention holds an administrative nature and is expressly excluded from the scope of the revised text of the Law on Public Sector Contracts, RDL 3/2011 of 14 November (BOE of November 16, 2011), as indicated in its art. 4.1.d.

Any dispute concerning the interpretation and application shall be submitted to the Courts and Tribunals in accordance with the applicable national laws in its location - rule locus regit actum- (3.2.j articles of the Organic Law of Universities 6 / 2001 and applicable provisions of the LCSP, which revised text has been approved by Royal Legislative Decree 3/2011 of 14 November), except in the control of subsidies obtained under the cooperation programs funded by Spanish institutions, in which case they must be subject to judicial review of the administrative jurisdiction. Similarly everything related to the issue of certificates / academic diplomas who have to produce effects in Spanish territory shall be subject to that jurisdiction.
